

*Any ideas to help my child be able to study better?*

OCD???

Parents,

Do you have a child that has ADHD, Dyslexia, OCD or any other learning/behavior issue and would

love to talk to another parent who has a child with a similar issue? Whether it's to bounce ideas off of another parent or to share tips and tricks that may make home/school life a little more manageable and enjoyable then this may be the support group you've been waiting for! The informational meeting will take place on Wednesday, September 5th with the group meeting once a month from 7:00-8:00 pm beginning on October 3rd. Can't make the meeting but want access to help and ideas? Request to join our Facebook Group "Parents of AMAZING kids!" It's a closed group so you'll have to request to be added. We all want to keep our child's privacy first so at this informational meeting, how much information you want to share is completely up to you.
