

ST. JOHN'S UPDATE

Merry Christmas!

What's coming up !

Mission of the Month:

Thank you to everyone who generously donated to November's Mission of the Month "Pennies for Patients". We collected \$845.18 in donations for the Leukemia and Lymphoma Society! Congratulations to Mr. Rhode's 5th grade Home-room who led the school and collected \$ 358.59 in donations. They will enjoy a celebratory pizza party for their efforts! Way to go!

Throughout the month of December we will be gathering non-perishable food through the ministries of St. John's to help supply the Marysville Food Pantry. The gathered food will line the hallways of our school. We give thanks to God for the bounty He provides by sharing with those who are in need.

Jesus is the ultimate gift that we have been given!

Small gifts come in many shapes and sizes and as we celebrate this season let us remember "the ways we get & the ways we give." While you are gifting this season you could possibly give back to St. John's school while you give to others: Check out the many ways you can do this on our home site under "Support SJS" or simply click [here](#) to be directed to our site. Merchants including Amazon, Kroger, Target, Meijer, and many more give back to us when you shop with them.
