

Our Mission is To
Joyfully and Boldly make disciples of Jesus Christ as we...
KNOW Jesus and each other
GROW to be like him
SOW His Love in Word and Deed

Job Title: Resource Teacher

Position Overview: Provide children with essential skills needed to help them grow toward a better academic footing.

Essential Job Functions

- Help the child or children in whatever subject they are having difficulty with.
- Devise new methods of teaching if the child is having trouble learning through the conventional method.
- Design workshops for the children so that they can learn better in a different atmosphere than school.
- Maintain a record of each child's work to see progress of the child. Submit reports as required by state agencies when applicable.
- Stay in contact with the Principal, teacher and the parents of the child.
- Identify learning disorders and report them to the principal.
- Excellent communication skills, to interact with the child.
- Develop IEP's in conjunction with local School Districts.

Requirements

- Bachelor's degree in education.
- Holds a valid Ohio teaching license.
- Experience in working with children.

Other Skills/Abilities: Must be patient and understanding, as well as be able to assist, evaluate, motivate, develop and integrate students in learning.

NOTE: This job description is not intended to be all-inclusive. Employee may perform other related duties as negotiated to meet the ongoing needs of the organization.
