

*****Attention Parents and Caregivers*****

If you want to know.....

What are the differences between normal teenage ups and downs and a mental health concern?

What are the warning signs for depression and suicide?

What are the risk factors that can affect teens?

What are the steps to take if you have a concern about your child's emotional needs?

Then join us and Nationwide Children's Hospital for a virtual presentation of education and discussion about these topics and more.

Please see next page for offerings this school year. We hope to see you at one!

**** All parents that participate will have the opportunity to be entered into a drawing for a \$20 gift card to Kroger! ****
